Second Chance Needs Volunteers

We can always use people to help with benevolence applications, donation pick-up, food distribution and interviews.

We need people who will share their faith and the gospel with each client.

Christian Women's Job Corps

CWJC provides women a hand up not a hand out. We provide life skills/job skills classes for women who are ready to make a change in their life style.

We have volunteer mentors who give support to each woman who enrolls in our program. Bible study is a major factor in everything that we do.

Each woman is given the opportunity to accept Jesus as her Savior. Classes are held three days a week for fifteen weeks.

We have two sessions per year. All materials, including a Bible, are provided to each participant free of charge.

Our Kid's Corps program is designed to take care of preschool children while their mother in is class while providing learning activities to better prepare them for school.

Local churches provide delicious lunches each day.

GOT FOOD?

“Suppose a brother or a sister is without clothes or daily food. If one of you say to him, ‘Go, I wish you well, keep warm and well fed,’ and does nothing about his physical needs, what good is it?”

James 2: 15 & 16

Each month on an average 200 families come through our Ministry Centers in Albertville and Arab. As they come for food, many come to the saving knowledge of Jesus Christ. We need donations of food and financial support. We also need volunteers to help keep shelves stacked and food rotated.
